Barnesville High School Student Driver Education-SUMMER 2024

Classroom Information: Students are required to complete 30 hours of instruction required by the State of Minnesota in order to pass this class. Students need to take this class in order to be able to take the Driver’s Education written test. The class will start on Monday, June 3 and end on June 18, 2024. If you know you will need to miss a class, arrangements will need to be made with the instructor before the class starts. The only reason to miss the class would be illness or a pre-scheduled Dr. Appointment that cannot be rescheduled. Any student that misses more than 2 hours of class will be dropped from the class and will need to re-take it at a future date. Student’s that are dropped from the class due to non-attendance will not receive a refund and will be required to re-pay for future classes.

Students that are participating in Summer Rec activities or any other activity during this class time, will need to miss your activities to take this class. Students need to make sure they are willing to make that decision before they sign up for the class. Students **cannot skip** the Driver’s Training class for any activities. Students should only sign up if they are serious about taking the entire class. Remember, driving is a privilege not a right. Students must pass the class material not just ‘take’ the class.

Eligible Students: This class is for students that are or will be 15 or older on or before August 31, 2024. Students that turn 15 in September can register after starting on April 29 if there is room.

Dates: June 3, 4, 5, 6, 7, 10, 11, 12, 13 & 18. –See Calendar

Class Time: The class will begin at 12:00 every day and end at 3:00 pm. Please refer to the calendar attached for the daily schedule.

Location: High School Library

Cost: The Driver’s Education class is \$100. Payment of \$100 can be paid online at RevTrak at <https://barnesville.RevTrak.net> or with a check made out to Community Education or cash brought into Com. Ed. Office.

Behind the Wheel- Behind-the-Wheel training (6 hours of driving time) is not offered through Community Education at this time, however, Troy operates a company called Action Driving School and he will do BTW for students at the completion of the class.
